

CADEURO

Dear Sir/Madam,

Thank you for taking the time to read how our dynamic company <http://www.cadeuro.co.uk> can provide your entire out of house CAD & Design requirements in 2009. We have a solid history of consistently meeting the high standards demanded by our many high profile clients.

Our company has established excellent working partnerships with the world's leading consultants and contractors throughout the building services industry. Our high volume of repeat business is testament to our determined commitment and attention to detail.

CADEURO is a multi-disciplined company offering a comprehensive drafting, design and consultancy service covering all aspects of the building services industry. We have electrical, mechanical and public health consultants who provide an exceptional design service as well as producing full O&M manuals.

Our bank of staff fully understands the urgency of your deadlines and schedules. We take pride in supporting your business by ensuring a quick turnaround at a competitive rate with full backup via telephone and email. We are a friendly and approachable company and we look forward to your enquiry.

For further information [contact us](#) directly or visit our [website](#).

Thank you for your time.

AutoCAD 2D and 3D production of the following:

Electrical Building Services

Layouts:

- Lighting Layouts
- Small Power Layouts
- Fire Alarm Layouts
- CCTV/Security Layouts

- Lightning Protection Layouts

Mechanical and Public Health Services layouts:
